

“ I am one of 10 siblings. As a child I experienced homelessness, and I vividly remember sleeping in the car and living in shelters. Funding through the CFC helps provide food, clothing, shelter, and much needed medical/mental health attention to everyone who needs it but would otherwise go without. ”

The 2017 campaign ends soon, but there's no time better than the present to make your pledge.
Consider giving through the CFC to support charities helping those who need it most.

Your gift makes a difference:

\$34

provides a meal for
100 homeless individuals.

\$70

buys 35 coffee plants for
farmers who suffered crop
losses after a hurricane.

\$150

screens 30 women
for cervical cancer.
